

Introducing  
**Giving Kiosks**

The easiest way to provide  
access to giving.

**iPad Enclosure and App.**  
It couldn't be easier.

**Simple to use.**

The custom developed kiosk software was designed with your donors in mind. Select the budget, enter the amount then swipe the card.

**Simple reporting.**

Just like with our web based donation software, all detailed information concerning the contributions are available within your online system.

**Simple administration.**

You can control all of the settings for the giving kiosk from our easy to use web based admin portal. The changes are automatically reflected within the giving kiosk software.

## FAQs

### Do I need a separate account to use a kiosk?

No. Kiosk donations are integrated in with your main ServantPC account. All gifts are reported to your main admin site.

### Are there extra monthly charges for using a kiosk?

No. There are no monthly fees involved. For detailed information about the rate plans and transaction fees, please visit <http://www.ServantPC.com>

### Can I use more than one kiosk at separate locations?

Yes. The options are endless. Set multiple kiosks up in the same room or at strategic locations throughout your building.

### What hardware is included in the purchase or lease price?

The iPad, Enclosure, Stand or Mount, Card Reader and USB extension are all included in the costs. We ship it to you with the software installed, configured, customized for your church and ready to be used.
